Color Me Mine

**5887 Forbes Avenue, Pittsburgh, 15217
Squirrel Hill, 412-421-2909**

***Celebrate your best friend while helping other pets
find their forever parents!***

Come paint a special food bowl, treat jar, picture frame or other novel item in honor of your special animal companion.

\$15 will cover appetizers, desserts, drinks, favor bag, a two hour block of painting time and a contribution to the Western PA Humane Society. Ceramic pieces to paint will be offered in a wide range of prices to accommodate everyone's budget. Individuals, couples and families are welcome! Feel free to bring your hopefully well-behaved animal companion with you to join in the fun.

Call 412-421-2909 today to reserve your spot! Spaces are limited.

Karen Litzinger will also be doing a CD signing at the event for people who want the award-winning Heal Your Heart: Coping with the Loss of a Pet as a caring gift for a pet-lover friend with a portion of proceeds to benefit the Western PA Humane Society. Painting a piece in memory of your special companion is another way to honor the memory.
